§

1:23-CV-1029-DII

**ORDER**

Before the Court is the report and recommendation from United States Magistrate Judge Dustin Howell concerning Plaintiff Avery Cato (“Cato”) complaint pursuant to 28 U.S.C. § 1915(e). (R. & R., Dkt. 4). Pursuant to 28 U.S.C. § 636(b) and Rule 1(d) of Appendix C of the Local Rules of the United States District Court for the Western District of Texas, Judge Howell issued his report and recommendation on September 18, 2023. (*Id.*). As of the date of this order, Cato has not filed objections to the report and recommendation.

Pursuant to 28 U.S.C. § 636(b), a party may serve and file specific, written objections to a magistrate judge’s proposed findings and recommendations within fourteen days after being served with a copy of the report and recommendation and, in doing so, secure *de novo* review by the district court. When no objections are timely filed, a district court can review the magistrate’s report and recommendation for clear error. *See* Fed. R. Civ. P. 72 advisory committee’s note (“When no timely objection is filed, the [district] court need only satisfy itself that there is no clear error on the face of the record in order to accept the recommendation.”).

Because Cato has not filed timely objections, the Court reviews the report and recommendation for clear error. Having done so and finding no clear error, the Court accepts and adopts the report and recommendation as its own order.

Accordingly, the Court **ORDERS** that the report and recommendation of the United States Magistrate Judge, (Dkt. 4), is **ADOPTED**. Cato's complaint, (Dkt. 1), is **DISMISSED WITH PREJUDICE**.

**IT IS FINALLY ORDERED** that the Clerk's Office mail a copy of this Order to Plaintiff via certified mail.

**SIGNED** on October 24, 2023.

A handwritten signature in blue ink, appearing to read "Robert Pitman", written over a horizontal line.

ROBERT PITMAN  
UNITED STATES DISTRICT JUDGE
